WONDER STOCKINGS

You've heard of the legendary Wonder Bra and now you'll know about The Sloane's Clinic Solidea Wonder Pantyhose. They are ultra-stylish and have a built-in anatomical control top that flattens shapes hips, improves your body contour line and gives a lift to your derriere. With a medium graduated leg support, it relieves tired and aching legs, promotes blood circulation and prevents the dreaded varicose and spider veins. The invisible, anti-stress comfort sole also keeps your feet feeling comfortable while standing. They come in Wonder 30 and Wonder 140, for mild or extra graduated compression. Available exclusively at The Sloane Clinic, S\$30 and S\$80 for Wonder 30 and Wonder 140 pantyhose respectively.

BEAUTY NEWS

GREEN, GREEN: Greek Homespun skincare brand Natura Products has opened its latest store at Raffles City Basement 2. Famous for using medicinal and plant based natural ingredients, Natura Products, the products range from skin care to natural hair care and natural body care. Natura offers over 300 products in over 30 countries, and more than 1000 SKUs.

TURN BACK TIME: Swiss skin care brand La Prairie's latest White Cream Rejuvenating Gel cream is a therapeutic skin care system of vital facial serums and face rejuvenating serums for anti-aging. It treats age related skin problems and slows down the signs of aging. The cream works to reverse the signs of aging by maintaining proper skin cell metabolism, stimulating collagen production, and protecting against free radicals. The line includes: 30/100 for 30ml facial cream, 50/100 for 30ml serum, and 50/100 for 15ml eye cream.

SPRING BLOSSOMING: L'Oréal Paris's new Floral Blossom range offers a whole of spring in 10 products as it captures the pure true lines of Provence villages. Come spring in Provence, and the spirit of the west of the pretty people. Blossoms are introducing with hints of better ahead. The collection consists of an SPF cream (100ml), SPF 15 cream (100ml), gel (100ml), skin care gel and lip gloss. From S\$25 to S\$86.
