

"When I was expecting Tyan I had a flash of inspiration: a book about skincare during pregnancy – it's almost complete!"

"I travel a lot and get great ideas for my patented line of skincare products."

"My life is incredibly busy – yoga is how I regain my balance and calm my mind."

Dr. Low Chai Ling
Aesthetic Physician,
mum, business woman
and author who draws
her inspiration from life.

for the life that i love,
i am a hub

You too can find inspiration in the life that surrounds you. With StarHub you are at the centre of your world.
