

SKINCARE

BEST NEW! CLEANSERS
Sophora Collection Skin Care Cleansers & Makeup Removers, from \$16.
The Promise Effective cleansers with quality ingredients that do the job. There are also free of parabens, artificial dyes and phthalates.
The Reality It removes light makeup well. Better suited for normal skin types.
"Effective, fast, fun products."
DR. LOW CHAI LING

BEST NEW! EYE MAKEUP REMOVER
Hajidra Hajidra Eye Remover Gel, \$9.99.
The Promise A gel eye-makeup remover that removes heavy eye makeup with ease, while vitamin E and mandarin oil protect and soothe the delicate skin in the eye area.
The Reality A non-greasy eye-makeup remover that effectively removes all traces of eye makeup and even stubborn waterproof mascara.

BEST NEW! LUXURY SKINCARE STARTER
Ché de Prou Beauty Daily Skincare, from \$18.
The Promise This reformulated basic range uses silk and pearl extracts to calm and soothe stressed skin, while promoting healthy skin cells for a radiant complexion.
The Reality Luxurious elements that suit most skin types, including sensitive skins. Your complexion seems to gain an inner glow, too.
"Amazing texture and luxurious scent"
LARRY TEO

BEST NEW! MASSAGE SKINCARE STARTER
Vichy Essentielles, from \$14.99.
The Promise A face and body range that uses gentle ingredients like flower pollen, glycerin, Shea butter and Vichy thermal spa water to soothe and hydrate skin.
The Reality A basic and effective range with a soothing scent, though might not be suitable for sensitive skins.

THE PANEL

LOW CHAI LING The medical consultant of The Sloane Clinic is a firm believer in fantastic skincare, and feels that makeup should be used to enhance our features, not conceal flaws.	REBECCA LIM A 27-year-old model and actress who has been gracing the covers of various magazines for over 10 years. She is also a firm believer in fantastic skincare, and feels that makeup should be used to enhance our features, not conceal flaws.	SHARON LIM With over 20 years' media experience, she is a firm believer in fantastic skincare, and feels that makeup should be used to enhance our features, not conceal flaws.	QUANNA CHAI A beauty lover who used to be her mother's makeup artist as a child, she is a firm believer in fantastic skincare, and feels that makeup should be used to enhance our features, not conceal flaws.

MAKEUP

BEST NEW! LIGHTWEIGHT LIQUID FOUNDATION
Clear Waterless Aqua, \$74.
The Promise Its ultra-fine and fluid texture spreads easily while providing sheer coverage for a luminous and second-skin finish.
The Reality A lightweight foundation that provides sheer natural coverage. Better suited to bluish-free complexion.

BEST NEW! BLENDISH CONCEALER
Dr. Just + Acne-t Spot Cover, \$28.
The Promise A lightweight concealer with Angelica retinoids most attract and salicylic acid to combat troubled spots; the use of sebum-controlling powder keeps skin matte and fresh.
The Reality A silky product that covers blemishes well. Might require some patience as results are not instantaneous.

BEST NEW! NATURAL-FINISH FOUNDATION
Natura Photo Beauty Makeup Serum Powder Foundation, \$29.99.
The Promise Complexion looks flawless instantly, as if airbrushed, thanks to its photo chromatic pigments.
The Reality This goes on smoothly and doesn't leave patches, unlike other two-way powders. Love the matte finish that gives coverage without looking cakey on.

BEST NEW! CONCEALER
Solid Brown Creamy Concealer, \$35.
The Promise A long-wearing yellow-based concealer, this blends smoothly and doesn't sink while skin conditions hydrate the delicate eye area.
The Reality Gives excellent coverage for the under-eye area, without making it look lined. It can be a tad drying on dry skin, so use sparingly.

BEST NEW! ALL-ROUNDER BB CREAM
M.A.C. Prep-Primer Beauty Balm SPF35, \$42.
The Promise A multi-tasking product that's a makeup base and UV protectant in one. It smoothens and hydrates skin, leaving an illuminating glow.
The Reality It helped keep foundation intact the whole day, while giving ample coverage. We were amazed at the beautiful texture.

BEST NEW! ANTI-ACNE BB CREAM
The Sloane Clinic Inc \$7.4 BB Cream Anti-Acne, \$60.
The Promise A tinted sunscreen with anti-acne properties, so skin is protected and treated at the same time. With its matte finish, it's best for oilier skin.
The Reality Perfectly suited for our skin's yellow undertones. Love its lightweight formula.
