Every nightmare has a solution!  
Here are every woman's top  
nightmares answered.

**SKIN NIGHTMARE:** You get the biggest pimple of your life the week before the office party!

**SOLUTION:** Never fear. The Clear Skin Program from The Sloane Clinic has a slew of fast fix treatments that will rid your complexion of any sudden skin concern. It includes therapeutic I-Clear light treatments, deep sonic cleansing for its clarifying effects and mediterranean mud for its oil-absorbing properties.

**ALSO TRY:** Skin Inc.'s Sleeping Peel

---

**SKIN NIGHTMARE:** The only thing that will conceal your pigmentation is liquid paper!

**SOLUTION:** Try the high-powered whitening program at The Sloane Clinic which pairs Intense Pulsed light treatments with alpha lipoic acid and gentle alpha hydroxy acids to help reduce skin discoloration over time. Also includes crystal microdermabrasion to slough off dull skin, lighten dark spots and minimize pores for an overall mattifying effect.

**ALSO TRY:** Skin Inc.'s Vitamin C elixir

---

**SKIN NIGHTMARE:** There's more hair on your bathroom floor than on your head!

**SOLUTION:** Mesotherapy for hair loss uses medicine for the improvement of scalp circulation, and vitamin activators for healthy hair growth. It's like a thirst-aid kit for your hair! This treatment may prove to be an answer to the hairy woes that have left many stranded.

**ALSO TRY:** paper bag over your head

*The Sloane Clinic is an aesthetic clinic located at 30 Raffles Place, #03-01 Caltex House. You may call them at 6533 2522 for an appointment with the doctor or visit [www.sloaneclinic.com](http://www.sloaneclinic.com) for more details.*

**SKIN NIGHTMARE:** You are mistaken for your husband's mother!

**SOLUTION:** Plan to look years younger with this anti-aging wonder treatment. Thermage is the latest buzz word among the rich and famous today. Basically, it is a non-invasive treatment touted to deliver tighter skin, renewed the facial contours and healthier collagen. In short, this is what many women have been praying for all their lives—face-lifting benefits without going under the knife.

**ALSO TRY:** Skin Inc.'s Skin Rejuvenating Concentrate.

---

**SKIN NIGHTMARE:** After a year of hard work, the only glow you have around you is from the office lightbulb!

**SOLUTION:** LED Red delivers a totally natural method of light-only skin rejuvenation and works with the body's own natural processes to counteract the effects of ageing. Subjects in trials have reported an overall lifting and hydrating effect, an improvement in skin tone and texture, an evening-out of pigmentation, a smoothing of fine lines and wrinkles and a feeling of well being and relaxation.

**ALSO TRY:** Skin Inc.'s Multivitamin Booster
