### Where to go

**The Sloane Clinic**  
**Services:** Lasers, fillers, Botox, Thermage, Intense Pulsed Light, Fraxel. **Why it's special:** Treatments are based on scientific evidence, and are FDA-approved. Doors are locked at all times, as only patients with prior appointments may enter the clinic.

Walk-in patients are not accepted. Clinic also runs a pro bono programme to treat disadvantaged patients at little or no cost. **Ambience:** Contemporary design with a retro-chic flavour. Strong scent of essential oils, making it smell more like a spa than a clinic. Well-stocked vanity bar. **Try this:** The Nova 3R, a 3-in-1 treatment that helps tighten and lift saggy skin, reduce discolouring and close pores. Starts from \$1,100 per session. **Price range:** From \$200 for a facial or dark eye circle laser treatment, to up to \$6,000 for treatments such as Thermage for the tummy. **Behind the scenes:** Founders are Dr Low Chai Ling and Dr Kenneth Lee. **Contact details:** #03-01 Chevron House, 30 Raffles Place, tel: 6533-2522; #01-66 Chip Bee Gardens, 43 Jalan Merah Saga, tel: 6471-1108. **Website:** www.sloaneclinic.com
