Bring Back the Glow
 For a bright, happy, more youthful glow, try these hydrating, brightening facial treatments.

THE HYDRATING, BRIGHTENING FACIAL
 This treatment is designed to hydrate and brighten the skin. It starts with a gentle exfoliation, followed by a serum infusion of hyaluronic acid and vitamin C. The treatment ends with a hydrating cream mask that locks in moisture and leaves the skin soft and glowing.

THE VITAMIN THERAPY FACIAL
 This treatment is designed to nourish and repair the skin. It starts with a gentle exfoliation, followed by a serum infusion of vitamins A, B, C, E, and K. The treatment ends with a cream mask that locks in the nutrients and leaves the skin soft and glowing.

THE HYDRATING, BRIGHTENING FACIAL
 This treatment is designed to hydrate and brighten the skin. It starts with a gentle exfoliation, followed by a serum infusion of hyaluronic acid and vitamin C. The treatment ends with a hydrating cream mask that locks in moisture and leaves the skin soft and glowing.

Eco-friendly
 This treatment is designed to be eco-friendly. It uses natural ingredients and is free of harsh chemicals. The treatment is also cruelty-free and is designed to be gentle on the skin.

VITAMIN THERAPY FACIAL, \$400 FOR 60MINS

What After cleansing and exfoliation, skin is layered with an infusion that includes vitamins A, B, C, E and K to fight free radical damage, heal cellular damage, stimulate collagen production, as well as reduce discoloration. An addition of hyaluronic acid, essential minerals and trace elements help to lift and repair. It ends off with a cream mask to boost penetration of ingredients.
