

What world renown doctors and surgeons are saying about IS CLINICAL?

Dr. Amy B. Lewis, Dermatologist, New York, NY:

Active Serum - "Science meets beauty! Active Serum does more for your skin than three creams combined. It is great for clogged pores, mottled pigmentation and uneven texture. Dramatically improve the luster of your skin with this innovative mixture of scientifically proven ingredients."

Super Serum - "IS CLINICAL has done it again! Their newest anti-aging product is a powerful multi-purpose serum. The stable Vitamin C, which boosts collagen formation, is fortified with a revolutionary combination of lightening and restorative agents. It improves skin tone, irregular texture and leaves skin with luster and clarity. It is appropriately named - Super Serum."

Dr. Tina Alster, Dermatologist, Washington Institute of Dermatologic Laser Surgery, Washington, D.C.:

Active Serum & Firming Complex - "The Innovative Skincare line is chock-full of good products for all types of skin. The Active Serum and Firming Complex, in particular, can be used in combination with other rejuvenating treatments to produce noticeable improvement in skin-tone and texture without irritation. Patients rave about the products' non-sticky feel and pretty packaging too!"

Super Serum - "Healthy looking skin is very important at any age! Super Serum makes your skin feel alive and look healthy!"

Dr. Lynn McKinley-Grant, Dermatologist, Washington, D.C.:

Active Serum - "Active Serum causes rapid and persistent clearing of sun damage, acne, and dry skin.....increases hydration of the skin...increases absorption of medications and moisturizers....the skin does glow after use."

Super Serum - "Super Serum enhances prescription and cosmetic treatments of acne, acne scarring and photo-damage; and helps patients achieve that even skin tone that they desire."

Pro-Heal Serum – "Pro-Heal is wonderful. You are getting your A, C and E all in one application. Because of the olive leaf extract, it is great for my acne patients. It leaves your skin with a nice dewy finish."

Dr. Sydney Coleman, Plastic Surgeon - Lipostructure, New York, NY:

Super Serum – "I am enthusiastic about the ingredient combination in Super Serum. Of all the products we have tried, IS CLINICAL has produced the greatest satisfaction and results in our patients."

Dr. Grant Stevens, FACS, Plastic Surgeon, Los Angeles, CA:

"Innovative Skincare has clearly produced a 'results oriented' skincare line. I have seen improved skin quality, including reduced pigmentation and better skin texture, therefore creating a more youthful appearance for the client. Visual results form a bottle? YES, you will be impressed!"

Dr. Fredric A. Stern, FACS, Medical Director, The Stern Center for Aesthetic Surgery, Bellevue, WA:

"IS CLINICAL offers a superb line of quality skin care products, with a regimen for just about every skin type or condition. The entire IS CLINICAL line of serums and moisturizers has generated greater enthusiasm on the part of our patients than any skin care product we've ever carried—and with good reason."

Super Serum – "I have been personally using IS CLINICAL Super Serum for several months, and have seen remarkable results, with smoother, healthier appearing skin and more even pigmentation. I believe IS CLINICAL offers the finest line of skin care products currently available."

Dr. Bruce Freedman, FACS, Cosmetic Plastic Surgeon, Washington, D.C.:

Active Serum - "The Active Serum is incredible! This product keeps your skin 'in shape'. It's almost decadent. I believe in the science of the line; it has actually changed and smoothed the texture of my skin. It enhances and advances any of the surgical intervention of my patients – it takes them to the next level. This is a product that makes a difference for my patients. I feel that Innovative Skincare is very enlightened, and the products' performance is superior to many other products."

Super Serum – "Super Serum by Innovative Skincare is the ideal product for the sophisticated, educated client. The combination of antioxidants and topical acids provides powerful yet controlled improvement in skin tone, texture and clarity."

Dr. William L. Heimer II, Dermatologist, Encinitas, CA:

Super Serum - "Finally, a scientifically superb product with all the right ingredients that perform for me and my patients. I recommend it for the science of the formulation and my patients sell themselves after they try a sample. Rosacea, anti-aging, acne and stretch mark patients all show extremely gratifying results. It is the number one product that I recommend in my practice."

Dr. Stephen Krant, FACS, Plastic Surgeon, SK Sanctuary, La Jolla, CA:

Active Serum - "Active Serum has been a great addition to my plastic surgery and skincare. It has been readily accepted by my reconstructive and aesthetic patients. It is very easy to use and well tolerated by all skin types."

Dr. Franklin Johnson, Long Island, NY:

"All of the IS CLINICAL products are made with the finest formulations that our office has ever used. Patients rave about the results of their skin, and love the way the products feel."

Dr. Richard Anderson, FACS, Plastic Surgeon, Scottsdale, AZ:

"Our patients love Innovative Skincare products because they restore and rejuvenate damaged skin and maintain youthful, attractive skin. Innovative Skincare products produce remarkable results and happy patients....we like that."

Dr. Susan Ellis, Cosmetic Dermatologist, Colorado Springs, CO:

Pro-Heal Serum - "Pro- Heal Serum performs above and beyond traditional C & E Serums. My patients are loving it...I love it!"

Dr. Gerald N. Goldberg, Dermatologist, Pima Dermatology, (Kimberle Kennedy, CMPE, CDC President-Elect of ADA/M), Tucson, AZ:

Super Serum – "We have access to the latest innovations in skin care technology and have tried hundreds of products over the years. But when Jack brought the IS CLINICAL line to the office, your products stood out from the rest. Super Serum made an extraordinary difference in my skin, and my skin is used to prescription-strength products. All the professional staff in this office has seen significant results. The texture and clarity of my skin has improved dramatically. The whole office is promoting the products. The product line, especially Super Serum, has been revenue-building. Our patients have caught on to our own enthusiasm for the products."

Dr. Elliot F. Battle, Jr., Cosmetic Dermatologist, Washington, D.C.:

Active Serum - "Active Serum is a phenomenal multi-purpose product that we use as a first line treatment approach to treat acne, mottled pigmentation and wrinkles. Our patients love the way it feels and rave about their skin's improvement in texture and pore size reduction. I prescribe it confidently for all skin types."

Dr. Tina West, Cosmetic Dermatologist, Washington, D.C.:

Active Serum - "Active Serum works beautifully alone or in combination with retinoids for the treatment of photoaging and acne....and my patients love the way their skin looks and feels!"

Super Serum – "Super Serum delivers antioxidants to the dermis using a unique patented delivery system. My patients love the glow they get when they combine their Super Serum in the morning, with the use of a retinoid at night."

Pro-Heal Serum - "I love Pro-Heal. Pro-Heal is the perfect anti-aging serum. Its unique ingredient – Oleuropein, is one of the most potent anti-oxidants available. Pro-Heal works synergistically with sunscreens to maximize photoprotection and my patients love the 'Pro-Heal Glow!'"

Dr. Edward Buckingham, Medical Director, Buckingham Center for Facial Plastic Surgery, Austin, TX:

Pro-Heal Serum - "Dramatic clinical results! IS CLINICAL has combined the best of nature and science to produce superb unique serums for different clinical conditions. In our practice, Pro-Heal Serum dramatically reduces the post procedure redness of incisions and skin resurfacing."

Super Serum – "Super Serum is a must to preserve a patient's surgical investment, preventing recurrent pigmentation and facial lines following cosmetic procedures."

Kalologie Skincare, Dr. Vicki Rapaport, Dermatologist and Medical Director, Los Angeles, CA:

Super Serum – "At Kalologie Skincare, we only carry highly effective, high-end skincare lines that actually improve the condition of the skin. IS CLINICAL products fit the bill perfectly, and their new Super Serum comes close to providing true "youth in a jar". Finally, skincare that goes the extra mile, providing truly active ingredients for the skin aficionados of the world."

Pro-Heal Serum – "Pro-Heal is a blockbuster antioxidant serum combined with the tremendous healing properties of olive leaf extract. Our clients with cystic acne have found this to be a truly effective solution in controlling problematic breakouts."

Skin Resolutions, Lynda Wilkinson, Santa Barbara, CA:

Active Serum - "The integrity of the Innovative Skincare products is phenomenal. The Active Serum works rapidly to clear acne and lighten hyper-pigmentation without drying out the skin. I am so impressed with the research and development and ingredient formulations. I love the entire line and the results are amazing!"

Mezzanine Medical Spa, Jannat Chowdry, Aesthetician, New York, NY:

Active Serum - "I really love this product, it is the best formulation, made from the best ingredients I have ever used, but the best thing about Active Serum are the results – the skin is brighter and tighter...formulation and delivery are so effective."

Super Serum & Pro-Heal Serum - "As we all know, beauty is skin deep, however, it is very hard to find a product which works to lighten acne scars. Recently, I experienced some cystic acne scarring, and I immediately used Super Serum. Now my acne scarring has lightened remarkably in a week and any traces of scarring or discoloration almost completely gone. Super Serum has also brightened my skin more, revealing a more toned complexion. One of my clients in particular uses all IS CLINICAL products. The Super Serum and Pro Heal Serum in particular have reduced her redness significantly. Innovative Skincare has a full line of products for every skin care need. The ingredients in each product are so versatile that the formulas solve much more than any one problem...in short, IS CLINICAL products speak for themselves."

International Skin Center, Susan Hoover, Director, Kahului, Hawaii:

Active Serum - "We are seeing some great results from Active Serum. We have patients who have been on Accutane and many other products for acne that didn't work. When we started them on Active Serum, their skin started changing within a short period of time. We have observed acne clearing, smoother skin, finer pores, and a lightening of hyperpigmentation. Active Serum is quickly becoming one of our more popular items..."

Cosmetic Surgery Center for Women, Kate Perino, Clinical Skin Care Specialist, Virginia Beach, VA:

Active Serum - "Active Serum is fantastic for both male and female complexions.....it lightens, brightens, and tightens the skin. It is also great for young acne skin."

Pro-Heal Serum - "A natural anti-inflammatory, strongest anti-oxidant formula 300X stronger than C&E serums. The formula is an excellent match with salicylic, glycolic, lactic acid and Jessner acid peel rejuvenation protocols. A revolutionary topical antioxidant skincare therapy, I use it as a secret weapon to successful chemical peels, pre and post laser healing, light therapy treatments including IPL Photofacial. A must have serum for golfers and tennis players alike."

Aesthetica Cosmetic Surgery and Laser Center, Alicia Hilferty, Medical Skin Care Specialist, Leesburg, VA:

Active Serum - "Active Serum is so stimulating and performs so well in the treatment room. It is also wonderful for teens and men. It is great for anyone who has a fear of Accutane and Retin-A. The products are wonderful for everyone and all ages. It gives new horizons to skincare therapies."

The Carney Center, Peggy O'Neill, R.N., Skin Care Specialist, Virginia Beach, VA:

Active Serum - "I feel the Active Serum normalizes the skin and minimizes the pores. It is especially good for normal to oily skin."

Anderson Plastic Surgery Center, Trisha L. Anderson, Medical Aesthetician, Scottsdale, AZ:

"IS CLINICAL is not just for the 'Rich and Famous'. This product line is for anyone who is concerned about their skin and desires positive results. Our patients love the results achieved."

Dr. Bernard I. Raskin, Dermatologist, Valencia, CA:

"I have my choice of hundreds of products and this is the one that I personally use."

Medispa at Merci, Donna Chang, RN, BSN (President-Elect /SPSSCS), Baltimore, MD:

Super Serum & Active Serum - "While all of the IS CLINICAL products are exceptional, my two absolute must haves are Super Serum (am) and Active Serum (pm). I have been waiting for a multi-tasking product that saves my clients both time and money."

Dr. Thomas M. DeWire, Sr., FACS, Cosmetic Plastic Surgeon, and Sandra DeWire, R.N., Richmond, VA:

"If we were to create the perfect formula for a line of our own, this would be it!"

Dr. Stephen Bosniak, FACS, Plastic Surgeon/Dr. Marian Cantisano-Zilkha, New York, NY:

Active Serum - "Advanced technology and applied science have given us the 'Active Serum'! It is an effective product that not only gives significant results, but feels good too, when applied to the skin. When combined with other technologies, such as laser, etc., it gives even better results."

Laser Solutions Skincare, Dana Elise, Director, Beverly Hills, CA:

Pro-Heal Serum - "Our clients call Pro-Heal the 'Magic' Serum, and we use it pre- and post- Photorejuvenation treatment to promote speedy healing and restore the skin to a smooth, supple state. This remarkable serum helps tame even the most recalcitrant of conditions- from acne to Rosacea, and everything in between. In short - Pro-Heal rocks!"

Medical Cosmetology Associates, Regie M. Wise, Medical Aesthetician, Wyncote, PA:

"IS CLINICAL is an outstanding leader in the field of medical skincare. Its products are founded on years of research and clinical studies. Innovative Skincare is absolutely committed to the highest quality of standards and excellence in service. We are truly grateful for the difference it makes in our practice."

Pro-Heal Serum - "Pro-Heal is an outstanding serum incorporating Vitamins C & E, Olive Leaf Extract, Kojic Acid, and Retinol. It is rare to find a product that possesses these four antioxidants together and still remains stable. It is photo-protectant, a melanin inhibitor, anti-bacterial, anti-viral, anti-microbial and anti-aging as well. It can be used on the young and the old; it is good for all skin types, applicable for use anywhere on the body without causing irritation or dryness."

Oxygen - The Spa! Gisella Zimmermann, Owner, Miami, FL:

Super Serum – "There is no other Vitamin C or stretch mark cream that compares to it. A healthy addiction!"

Pro-Heal – "Addresses all symptoms of acne, Rosacea, and aging in one bottle. If you didn't believe in miracles, you will!"

Kalologie Skincare, Tracy Brennan, Founder, Beverly Hills, CA:

Pro-Heal Serum - "Pro-Heal is a blockbuster antioxidant serum combined with the tremendous healing properties of olive leaf extract. Our clients with cystic acne have found this to be a truly effective solution in controlling problematic breakouts."
