WHERE: Royal Pivillion Ballroom, Regent Hotel  
WHO CAME: The gorgeous, who intend to stay that way.

YOU CAN SAY ALL YOU WANT TO ABOUT BEING beautiful on the inside, but there is nothing quite like a talk on all the latest advances in aesthetic medicine to send you to a mirror for a quick check. The *Singapore Tatler* Health and Wellness Talk brought together some 80 of Singapore's most soignée ladies and three top names in the field of aesthetic medicine – **IVOR LIM, TAN YING CHIEN** and **ROHAN MENDIS** – as well as **ANGELINE LIM-DE SILVA** of Elizabeth Arden. A luscious high tea break gave guests such as **VENUS TEO, FRANCES LOW, AUDREY MICO, LESLEY HO** and **LOTUS SOH** a chance to chat with the doctors while the presence of many of society's younger set sent a message that it is never too early to stay young.
