"When I was expecting Tyan I had a flash of inspiration: a book about skincare during pregnancy."

"My life is incredibly busy - yoga is how I regain my balance and calm my mind."

"I travel a lot to Europe and the US hunting for ideas to package, display and market my patented line of skincare products."

**Dr. Low Chai Ling**  
Aesthetic physician,  
mum, business woman  
and author who draws  
her inspiration from life.
